Instructions for Simulation:

*Confidentiality- You signed the Student Commitment to Conduct during non-graded and graded CPE at the beginning of Instructional Module 1. That commitment is expected in every Instructional Module. Remember to respect the confidentiality of your fellow learners and not share any information outside of the simulation session.
Please do not share any of the information with anyone else, this could be considered an academic integrity issue.

STUDENTS ARE NOT ALLOWED TO SHARE SIMULATION INFORMATION or EVENTS WITH CLASSMATES OUTSIDE of THEIR SIMULATION GROUP.

You must come to sim prepared. In Pediatric Simulation Clinical lesson there is a patient preparation Worksheet that you must complete for your patient. Each student must complete their own paperwork and I will be checking for completion. If your paperwork is not complete you will receive an unsatisfactory on your clinical evaluation and corrective action. Not completing your paperwork may also result in not doing well in your scenario as well. Please note you must come with paperwork complete on Tuesday as you will not know what scenario is being presented first.
