Case Study # 8 Forensic nursing in the community

Maribeth J.is a forensic nurse who has been trained as a sexual assault nurse examiner (SANE). She works part-time in the emergency room, where she occasionally examines victims of rape and sexual assault. Same time also works part-time as a consultant for a local domestic-violence shelter for women and children. Every year Nurse Maribeth helps to organize a Walk to Prevent Domestic Violence in her community. Proceeds raised from the walk go toward the domestic-violence shelter. She provides literature about domestic violence at the walk as well as at other organization in town.
