N433: Abusive Head Trauma Virtual Simulation

1. Go to: https://learn.openpediatrics.org/learn/course/internal/view/elearning/3627/abusive-head-trauma
2. Create an account at Open Pediatrics if you have not already done so for the Virtual Home Visit for a Child with a Medical Complexity Simulation
3. Enroll for a non-accredited certificate
4. Watch videos (transcripts available)
5. Complete all pre-tests, short answer questions, and post-tests.
6. Submit a screen shot of **certificate of completion on the date** the clinical experience is assigned by 2359 CST.
7. Submit the debriefing questions (see the rubric attached with the debriefing questions) 72 hours after the clinical experience by 2359 CST.
8. Each debriefing question has a 100-word minimum and **at least one scholarly reference** (published within the last 5 years) must be used.
