Normalcy and Reasonable and Prudent Parent Standard Training Post-Test

Please complete and return to your licensor for training credit and certificate

1. What does "normalcy" mean?
   age & developmentally appropriate activities
2. Fill in the blanks: Developmentally appropriate activities are based on a child's cognitive emotional physical, and Behavioral. capacities that are typical for an age or age group.
3. What are 3 factors to consider when applying the Prudent Parenting standard to parenting decisions? Best intrest of child
   age, risk of activity, Behavioral of child; wishes of parents
4. TRUE or FALSE - Caregivers demonstrating compliance with the Prudent Parent Standard will not incur civil liability if foster child is harmed or injured while participating in an approved activity.
5. ~~TRUE~~ or FALSE - A caregiver must get permission from an agency for any activity that takes a child out ~~of the~~ foster home for longer than three nights.
6. ~~TRUE~~ or FALSE - Corporate foster care and residential facilities must have at least one person available on-site who is trained and designated to apply the Reasonable and Prudent Standard.
   ALL
7. TRUE or FALSE - In order for a child to stay overnight at the home of a friend, it is necessary for the adults in the home to complete a background study.
8. TRUE or FALSE - If a birth parent does not agree to their child participating in an activity, the child may not participate.
9. Case example: A child's individualized case plan states that she cannot go into the community by herself. She has asked her foster parents if she can go to the mall after school by herself. In this case, should the foster parents follow the child's individualized case plan or the Prudent Parent Standard?
   individualized case plan.
10. What is one way you plan to implement the Prudent Parent Standard with your foster child(ren)?
