Questionnaire

We are excited that your child will be completing the YES! assessment! Please answer the following questions below. Feel free to get your child's input. Please return the completed questionnaire to your child's Consultant/Facilitator 24 hours before their meeting (unless they have indicated a different time). Thank you!

What is your child's favorite school subject(s)?

In school my favorites were Social Studies, Math as a student

What is your child's least favorite school subject(s)?

My least favorites were English and Spanish

What school subject(s) do/does your child find it easy to learn about?

I found that Social Studies and Math came naturally to me. As an adult I learned to type and write

What school subject(s) do/does your child struggle to understand the most?

The higher math like trigonometry and the higher sciences were more difficult for me.

What activities and/or careers has your child expressed an interest in, either verbally or through what they like to do/play?

I always liked sports, all sports as a child.

What natural skills have you seen displayed in your child?

I was naturally coordinated and good at remember things such as players names, team statistics, muscians, songs etc.

What would you like to see as an outcome of your child's participation with YES!? Check all that apply.

- [x] Affirmation of their unique design
- [x] Increased self-awareness
- [x] Greater understanding of people around them
- [x] General guidance for potential Interests to explore
- [ ] Specific guidance for subjects and/or careers for focus

Is there anything else you would like to share with us about your child?

My adult life in learning has been much different and better than my life as a student in school.
