

Direct Support Professional In-Home Orientation Checklist for Shadow Shifts In-Home Trainer Guide

Roles & Responsibilities

Learners will take a hands-on learning approach with the Assigned In-Home Trainer. Learners will actively participate in home activities, ask questions to seek clarification, and deep dive into policies and procedures, as well as individualized Person-Centered Plans and Behavior Plans during their Shadow Shifts. The Learner is responsible for the successful completion of all assigned Toolbox Trainings, as well as CPI and CPR/First Aid In-Person Skill Sessions, DMA Training, Recipient Rights Classroom Training, and In-Home Orientation Checklist within 30-days from hire to be licensing compliance. The Learner will be evaluated on the material covered during their In-Home Onboarding by their Home Manager, so ask questions as needed.

In accordance with the various regulatory agencies, the assigned **In-Home Trainers** must have sound knowledge and the ability to teach of each topic within the checklist. The In-Home Trainer is responsible for verifying and validating the Learner comprehension and readiness for the DSP role by asking open-ended and clarifying questions. The Assigned In-Home Trainer will demonstrate, in a show and tell manner, how to complete each task on-the-floor, in real-time.

The Learner's **Home Manager** will monitor the Learner's progress to ensure the Competency Assessment, as well as all assigned Toolbox Trainings, CPI and CPR/First Aid In-Person Skill Sessions, DMA Training, Recipient Rights Classroom Training, and In-Home Orientation Checklist is completed within 30 days from hire and to answer any questions they may have regarding the information they are receiving during their onboarding. The Learner's Home Manager will make themselves available to address any issues or concerns related to the assessment or an on-time completion of required learnings. The Home Manager is responsible for documenting training upon completion.

Incident Reports Event Reports are written following an occurrence that is either significant or unusual. These reports are communicated to outside agencies, such as the Licensing Division, Recipient Right Office, Case Manager, and Guardian. Reports must be completed before the end of the shift and must be written by the staff who observed or was involved in the situation.

Incident Reports are written for: death of a resident; hospitalization of resident; emergency department visits; attempts at self-inflicted harm or harm to others; instances of greater property destruction; arrest or conviction of a resident; resident AWOL (Resident out of line of sight and hearing range or unknown whereabouts); any use of physical intervention/CPI; any suspected abuse or neglect of a resident (this is followed by an immediate call to ORR); and calling 911/police contact.

Legal Representative

A legal representative is defined as any of the following:

- 1) A court-appointed guardian.
- 2) A parent with legal custody of a minor individual/resident.
- 3) In the case of a deceased individual, the executor of the estate or court appointed personal representative.
- 4) A patient advocate under a durable power of attorney or another advanced directive.

Line of Sight The staff member always has a clear view of the individual/resident.

Observe To notice or view, carefully and with attention to detail.

Prompt A reminder or cue; could be both verbal and with hand over hand assistance.

Remind To cause a person to remember; to cause a person to think of someone/something; to make someone aware.

Significant Change Observation or event that is out of the ordinary and may mean a change or potential risk.
