Title	Energized - Abstract Art by Fidostudio
Artist	Tom Fedro - Fidostudio
Medium	Painting - Acrylic And Oil On Canvas
Description	Chicago artist Tom Fedro creates art with zing and boundless humor. His innovations of creative and playful discovery incorporate a combination of pop art collage and whimsical portraiture that have an addictive rhythm all their own. Bright colors, big features and bold lines that seem to be electrically charged represent an exiting way of seeing and experiencing the world through his eyes. Fidostudio has many styles to choose from, including: Original Abstract Art paintings, Abstract Music , Decorative art, Cityscapes, Abstract Fine Art, Modern Abstract Art, Contemporary Abstract Art, Landscapes, Abstract art, Abstract Original Artwork, Figures, Faces, Wine art, Nude Paintings, Large Abstract Art , Inspirational, Geometrical, Expressionist, Impressionist and more. He uses mostly acrylic colors presented on single, diptych and triptych canvases as well as extra large rolled canvas. Tom Fedro is a self-representing Chicago artist. He is best known for his large-size original abstract nudes, faces, animals, wine and contemporary modern paintings, but likes to experiment with other styles as well.
