

All agencies I have reached out to were not doing internships right now because of Covid-19. Some told me to try to again in two weeks and were transitioning me to contact the person in charge of the department. Sumter-Lee Regional Detention center facility answered, and Ms. Williams told me she will send me an application. Her contact information is (803) 774-2824 and the address is 1250 Winkles Rd, Sumter, Sc 29153. I will be sending her an email soon after I receive her application request.
