

Units of Measure Activity

Fill in the chart. There may be more than one answer for each quantity. Submit to the Units of Measure dropbox when you are finished, then check your answers in the next section of the learning module.

Example:

Quantity	SI system unit(s)	BG system unit(s)
Length	meters [m], kilometers [km]	feet [ft], miles [mi]
Mass		
Force (weight)		
Volume		
Time		
Temperature
