

HIST 130 – MAP EXERCISE No. 2 –SLAVERY AND CASH CROPS IN AMERICA BEFORE THE CIVIL WAR

NAME: Aaziyah Sellers

Report on the attached map the following information:

- 1) The names of the “slave states” in 1860 (that is, the states that allowed slavery before the Civil War),
- 2) The major crops (ex.: cotton, tobacco, etc.) that were grown in each slave state.

Note: You should use different colors (or shades) to distinguish the free states from the slave states; you may also use the two-letter state abbreviations for the names of the states.

Alternatively, if you cannot report your answers on the map, please report them on the table below:
