Dear Mr. Robert Bennet:

Thank you for the opportunity to interview yesterday for the Police trainee position. I enjoyed meeting and learning more about the Police Department. You have a fine staff and a sophisticated approach.

Your organization appears to be growing in a direction which parallels my interests and career goals. The interview with you and your staff confirmed my initial positive impressions of the Police Department, and I want to reiterate my strong interest in working for you. My prior experience in policing cadet plus my training in communication would enable me to progress steadily through your training program and become a productive member of your police team.

Again, thank you for your consideration. If you need any additional information from me, please feel free to call.

Yours truly,

Malachi McCoy.
