

Research paper topic: “*Ending of Mark’s Gospel*”

In my paper, I intent to research and write about the composition his pen and chronological placing among the *Synoptic. As well the Two-Source Theory of Synoptic Composition*. I intent to make my focus the “Ending of Mark’s Gospel”. I will also compare possible dates of composition. Viewing its significance in a theological manner as well through a modern lens. (...) I will examine the historical pen of Mark as well as the ease of its application for the 21-century contemporary church. Such as things like the themes of his gospel. It is my intent highlight such themes as Jesus as the Son of man, the theme of failure and suffering, and the role of Early Judaism in the composition of the Gospel.
