Build-Your-Own Boat Kits

Save hundreds of dollars and enjoy the satisfaction of constructing your own kayak or canoe! Our new Build-Your-Own Boat Kits include all the materials and instructions you need to build a simple canoe or kayak. Our canoe kit provides all the materials to build a 3-seat recreational canoe. Middle seat includes built-in cooler and cup holders. Our kayak kit includes all the materials to build a 12-foot sea kayak. Unique design for both boats ensures a smooth, stable ride even in choppy waters.

Key Benefits

- ✓ Each kit includes all the materials needed to create a kayak or canoe
- ✓ Hull pieces are precut, predrilled, and ready to assemble
- ✓ Ideal for fishing trips, family adventures, or nature expeditions
- ✓ Building it yourself saves you hundreds of dollars

Customer Reviews

Here are comments from some of our satisfied customers:

Easy to build: *"I can't believe I built my own canoe! It only took one weekend. The instructions were so easy to follow."* (Olivia, Salem, OR)

Stable ride: *"I am impressed with how smoothly the kayak glides along--even in choppy waters."* (Manny, Naples, FL)
