By Catherine Frazier

My Key New Testament Passage will cover the Office Spiritual Gifts. I plan to cover what the Spiritual gifts are and their office. I also plan to give examples of the Spiritual gifts and their office. My materials I will be using with be the study bible King James, The Message bible, and our Text book, The Gifts and Ministries of the Holy Spirit by: Lester Sumrall. I will also use online sites to aid in this Key New Testament Passage. I will define what New Testament Passage is. Also define how each Spiritual Gift is used and why.
