

## Core Values Exercise

Name Michelle M Rivers

Make a list of phrases that describe your deepest values in the following categories: spiritual, church, family, financial, and ministry. These should be principles that drive you. These values guide the decisions of your life and keep you on course. These should be simple, descriptive phrases or sentences.

<b>Area</b>	<b>Core Values</b>
Spiritual	As my faith becomes stronger I begin to experience spiritual emotions, which gives me an intense awareness of the presence of God, in everything around me in each and every aspect of my day to day activities.
Church	I come to fellowship so that I can become a stronger defender for Christ.
Family	There are two things I will always remember: The day I was born and the day I learned the purpose I was born.
Financial	Manners will take you where money won't.
Ministry	No one's tragedy is my destiny. For my job is the way I make my living, but my passion is the life I live for Christ.
