Scoring Interpretation

This questionnaire is designed to measure four factors related to establishing a constructive climate: providing structure, clarifying norms, building cohesiveness, and promoting standards of excellence. By comparing your scores, you can determine your strengths and weaknesses in establishing a constructive climate as a leader.

- If your score is 20–25, you are in the high range.
- If your score is 15–19, you are in the high moderate range.
- If your score is 10–14, you are in the low moderate range.
- If your score is 5–9, you are in the low range.
