Time Line	722	588-586	
King at the Time of Fall	Hoshea	Jehoaichin	
Nations Used by God To Capture	Assyrians	Babylonians	
Significant Events	God sent Prophet Ahijah to warn Israel of what would happen if they didn't repent.	God sent the Prophet Isiah to warn Hezekiah of what would happen to Judah if they did not turn back to him.	
Explain their Sin	King Jeroboam established patterns idolatry and false worship.	They neglected to remove the high places and even failed to observe the temple ceremonies.	
Discuss the Progression of Punishment	When Jeroboam took over he allowed the people to behave contrary to Gods will. Even after God sent the prophet to warn them that if they did not repent they would be taken captive. God sent many prophets to try to convince the people to repent but they didn't listen and finally in 722 they were overtaken by the Assyrians.	Ahaz had sold out to the Assyrians and their customs and Judah was doomed because of it. When he died his son Hezekiah was visited by Isiah and more prophets to warn Judah to repent. They too did not listen and was taken into captivity just as God had said through the prophets.
