Week 2   STATISTICS   Dannetta B. Sparks

Dear Owner,

Please find below the information that you requested in reference to which special sells best each day. The Chicken Littles were our best seller today. I have done a compilation of statistics on the sales of all of our specials for today. The total income today was $303.00 We had an average amount of $2.55 for each special sold today.

SPECIAL	NUMBER SOLD	COST	TOTAL INCOME
Huge Burger	20	$2.95	$59.00
Baby Burger	18	$1.49	$26.82
Chicken Littles (the Mode)	25	$3.50	$87.50
Porker Burger	19	$2.95	$56.05
Yummy Burger	17	$1.99	$33.83
Coney Dog	20	$1.99	$39.80

119

$303.00

The mode is the value that occurs most frequently and is the measure of central tendency that I used.

The average is the sum of all the values in the group, 303 divided by the number of values in the group 119

$ 303

_____

119 = $2.55 mean

Sincerely,

The Manager
