

## "The Circle of The Earth"

### 1. Is the earth actually flat? (online video)

This video will go into details about both sides of the view concerning if the earth is flat or round. This video will cover facts and opinions as well as scientific views and biblical views.

### 2. Space.com "Even a kid can prove the earth is round: Here's How"(article)

This article sets out to prove in a simple manner that the earth is indeed round. It tackles the conspiracy theories of doctored photos to prove the earth is not a disc but round

### 3. The Holy Bible KJV of Isaiah 40:22 where the Word of God declares: "God sits upon the circle of the earth"

4. The History Channel: covers the idea that Christopher Columbus never set out to prove that the earth was round because in fact him and other explorers knew that the earth was round. When Columbus set sail in 1492, he predicted he'd make landfall in Asia. Legend has it that he defied Spanish officials to do so, sailing West instead of East because he was certain the world was round.
