- Dear Friend, I hope this letter finds you in good and peaceful conditions and physical balance. I have news to share with you as a friend it's mandatory that I tell you this piece of information and please share it with anybody you so please. " You are Loved by GOD, all your wrongs can be made right and spiritual matrimony is the reward ". As a friend I want to confess that I only want the best for you, which is to share the joy and salvation only made through Jesus Christ with all the people you come in contact with. Christianity spread thru Asia in two years, all of the Roman Empire in thirty and dominated Europe in three hundred. Every day that I live, I realize more and more my purpose for being born. Take a second and picture this " for GOD so Loved the world that He gave His only begotten Son that whosoever believeth on Him shall not perish but have everlasting life ". The Bible which is the most popular, best selling book of all times can be summed up in that verse John 3:16. There is no greater Love that can ever be shown than this sin saving, redeeming, sacrifice for all of Us who have been given breath on this Earth created by GOD, who gave His only begotten Son to save Us from this world of sin and sorrow. I know you wonder why am I writing you concerning this matter when you have told Me countless times it doesn't make sense to you. My answer is simple, this is the responsibility of ME and all who say they believe and are saved and baptized into the great body of Jesus Christ. We are all born into this world to die and die to be born again, but we must be sure of this second statement. There is only one way to live eternally, it involves giving our lives back to Him who first Loved Us. The answer is Jesus Christ the living, once slain Lamb of GOD, who was sacrificed for all human kind . The sacrifice I am talking about made a way for all of Us including you to live

this life you enjoy so freely. Being able to live so freely is only possible because you and I plus everyone born up until this very second was born a sinner. Without you or anybody doing one wrong thing We were all born into sin because of one wrong act against mankind. This act made it necessary for the Love GOD expressed by sacrificing His Son to take place, along with the Commission to all beginning with the Apostles to go to and fro preaching this good news. This Gospel of Jesus Christ is vital to all mankind in that it teaches Us to Love one another no matter the obstacles We face. Without anything present it must be absent, for instance “ no heat “ it is cold, “ no light “ it is dark, so no Love there is hatred. This last word is the root of sin, because if you fail to Love someone, you hate them. The good thing about the Gospel is once you get it and I mean truly get it you become convicted and Love prevails and you can't be selfish or keep it concealed. There is a perfect example in Acts 2 of the Bible when the Holy Spirit I speak of came upon all who heard Peter and were saved were about three – thousand. Acts 2:2 says “ and suddenly there came a sound from heaven as of a rushing mighty wind, and it filled the house where they were sitting “. Once you or anyone preferably a sinner is overwhelmed by this power they are transformed into someone special. After receiving this great experience and being baptized, your mind, body, and spirit become renewed. It will give you joy and as Philippians 4:7 says “ and the peace of God which passes all understanding shall keep your hearts and minds thru Christ Jesus “. This peace mentioned will keep you safe and confident in all trials and test that come in this life, which most people want to avoid. I wish I could report that no trials or test would come when you become a Christian but John 16:33 says “ in this world ye shall have

tribulation: but be of good cheer , I have overcome the world. If you are wondering who “I” is, that’s the Lord who paid it all for you and I so we as saved Christians have no worries due to the Lords presence in our troubles. The human side of Us naturally has concerns but we know the Lord will intercede on our behalf. So I am pleading that you join this great fraternity of believers for your own sake. It is a decision you won’t regret, the things you give up will never exceed what you gain when you fully submit to the one fully responsible for your existence. Once you submit, hopefully and prayerfully these words which I have decided to make my motto Romans 1:16 “ for I am not ashamed of the Gospel of Christ: for it is the power of GOD unto salvation to everyone who believeth; to the Jew first, and also the Greek “ will have new meaning for you also.
