

The plan of Redemption.

The bible relates how humanity and the creation itself came into being. Fell into destruction, are redeemed by God in a decisive event in history. And will be restored by God spiritually, materially and eternity. And so if I were to create a 30-day plan of redemption to share with others. I would have to say, we would all need a change from within. Furthermore, we would have to really want this in our hearts. Then I would pray and except Jesus as my lord and savory. And lastly I would go and find an elder of the church and ask for his guidance as we embark on this journey together.

- Gods plan of redemption goes back as far as A.D and the old testament. When the very first sin started wih Adam eating the apple. Together we would learn and teach each other about the plans of redemption. And in doing so Remissions of our sins would start to materialize. Now we have all become humble and submissive unto our lord and his plan for all. By allowing our self to become as baby's and allow the spirit to renew our minds. Redemption is now possible. In my opinion a 30-day plan is just the tip of the iceberg. I was inspired to devise my plan by reviewing the old testament. Matt, Mark, Luke and john in the process God revealed to me that his plan consist of 1.Rependance, Remission, Reconciliation and Redemption.
