    - a. We need make discipleship for new generation
    - b. We need make small group bible study
  
2. What three New Testament passages indicate God's directive in reaching people from other cultures?
  1. John 1:46
  2. Luke 4:52
  3. Matthew 28:19-20
  
3. Why is the personal approach the most effective approach to ministry, especially since we live in a technological culture?

**1, APPROACH**

When we climb a high mountain, we will give up if we climb a mountain straight.

As you ascend the top of a high mountain, such as Stone mountain, when you approach the mountain gradually while turning the mountain, let's go to the summit without knowing it. spiral approach. Many salesmen come in when they are in the office.

I watch closely how they approach me. As soon as the new employee comes in, hello () comes from the company () Do you need goods? I answer no. The salesman says goodbye. The salesman 's approach failed to look good. The approach failed and the salesman, who could

not explain the product, went out and the church evangelist came and went to church.

## 2.NEEDS

But for those who have never heard the Gospel at all, it is important to help them naturally see the Gospel through the NEEDS stage.

Effective evangelism is not about using the same speech for everyone, but it is important for each person to have a quick understanding of his / her tendency because he / she has different thoughts and circumstances.

## 3.PRESENTATION

Rule

1, simple and accurate

(Time should be between 10 minutes and 15 minutes)

2, Speak confidently (convey conviction of the speaker)

3, Have fun

4, Show the Bible (showing a greater effect)

5, Never denounce other religions.

6, the initiative should speak unilaterally for me
