

My name is Livingstone Kipkemei being an African and a Kenya citizen. Currently I'm living in Nakuru County in Kenya. It's my great joy to be one of the students of Beulah Heights University. I am married and maintain the African culture of having many children.

I serve and worship God with Africa Inland Church Kenya being the pastor for over sixteen years. I have served two stations earlier on and now in my third station maintaining the five-year term as an A.I.C Pastor, since January 2020. I'm only three weeks old in my third and new station beginning my 5-year term at A.I.C Rongai Town Church.

My main aim of taking Bachelors in Religious Studies is to acquire more knowledge and skills of fulfilling the Great Commission of our Lord Jesus Christ effectively and also to become a dynamic leader both in the church and society. Since I'm in a rotten society full of crimes and suicidal acts, it's my desire to be a solution leader.
