<p><b>3. Mental Functioning:</b> BrightPath provides support to people with varying levels of mental functioning including autism and maladaptive behaviors at this program.</p>	<p>These individuals may have risks and vulnerabilities due to their level of physical and cognitive functioning.</p>	<p>Individuals receive support with decision making and redirection at appropriate times. Staff are trained to help individuals exercise their rights, learn additional life skills to facilitate increased responsibility and as possible, independence. The individuals have plans in their CSSP Addendums that specifies their individual need for support based on their vulnerability.</p>
<p><b>4. Physical &amp; Emotional Health:</b> BrightPath supports people with a wide range of physical and emotional health needs. This may include, but is not limited to: Chronic illnesses, Physical Limitations, Fall Risk, Self-injurious or assaultive behavior. Choking Risk, High sensory needs, allergies, and food intolerance.</p>	<p>BrightPath employs nursing staff to support the people we serve and the staff. A nurse will make visits to the home at least monthly and provide training to the staff needed in order to meet the needs of all people served in the program. All staff must prove they are competent to provide care as determined by the Designated Coordinator &amp; Designated Manager. Any time a person needs additional support because of a physical or emotional concern a team meeting may be called to discuss the changes in the person's health to determine if additional or new services are necessary. BrightPath will ensure that all new medical professional's orders are followed as prescribed and that all of the staff are properly trained on any new procedures or medications.</p>	<p>BrightPath provides at least 1 awake staff 24 hours daily.</p>
<p><b>5. Behaviors:</b> BrightPath may serve people with a wide range of challenging behaviors. These may include, but are not limited to verbal threats, verbal aggression, physical aggression, property destruction, self-harm, inappropriate and unwanted touching, and elopement.</p>	<p>Risk of injury, destruction of property.</p>	<p>BrightPath utilizes positive support strategies and trains staff to implement these approaches, including Crisis Prevention Intervention. BrightPath has on-call leadership 24/7. This capacity allows for increased behavior by highly skilled professionals to minimize risks with challenging behaviors. Maintenance services are readily available to repair, adapt or remove destroyed property. In the event that 911 is contacted, staff are to inform the dispatcher that the resident will cooperate with responders so responders are asked to be calm and understand that resident should not need to be subdued.</p>
