

Staff Orientation Record: Person-Specific

Employee name: Holly Kastl

Program name: BrightPath LLC. Home & Community-Based Services

Before having unsupervised direct contact with persons served or for whom the staff has not previously provided direct support or any time these plans or procedures are revised, staff must review and receive instruction in the following areas as they relate to the staff's job functions for that person. ***Complete this form for all persons served to whom the staff person will be providing direct contact services.***

Staff will review Support Plan, Support Plan Addendum, Self Management Assessment, and Individual Abuse Prevention Plan at orientation, and ongoing as plans are updated. Staff will review to achieve and demonstrate an understanding of the person as a unique individual and how to implement those plans. Include outcomes, behavior plans, and any document specific to the person. Other topics as determined necessary according to the person's Service and Support Plan or identified by the company will be outlined as needed.

Person Served: Britany Meyer

Support Plan-Addendum (SPA)

Most individuals receiving services have service outcomes they need to work on with staff assistance. *Please review all service outcomes for the individual and state the purpose of the outcome and **one** thing you, as staff, need to do to effectively assist them with the outcome.*

<p><u>Outcome 1:</u> assistance in sorting through mail and filling out paperwork</p>
<p><u>Outcome 2:</u> participate in community activity</p>
<p><u>Outcome 3:</u> work on person-centered coping skills</p>

Which outcome do you think will come easiest to you to support? Why

Going through the mail and helping to fill out paperwork would be a way to engage in a personal setting

Which outcome may be challenging for you to support? Why?

Working on coping skills just because I might not have a lot of experience in this area.

Individual Abuse Prevention Plan (IAPP)

The plan shall include a statement of measures that will be taken to minimize the risk of abuse to the vulnerable adult when the individual assessment required in section 626.557, subdivision 14, paragraph (b), indicates the need for measures in addition to the specific measures identified in the program abuse prevention plan. The measures shall include the specific actions the program will take to minimize the risk of abuse within the scope of the licensed services, and will identify referrals made when the vulnerable adult is susceptible to abuse outside the scope or control of the licensed services. When the assessment indicates that the vulnerable adult does not need specific risk reduction measures in addition to those identified in the program abuse prevention plan, the individual abuse prevention plan shall document this determination.

Positive Support Strategies	
When this individual is frustrated, they can express it in these ways: she can express frustration by isolating herself, not communicating well, missing sleep	
Supporting this individual in these ways will help them feel <u>less</u> frustrated: sounds like youtube videos or some online scrolling time might be a nice redirection when hav	
Supporting this individual in these ways will make them feel <u>more</u> frustrated: doing this for Britany might be frustrating since she values being independent
