Individual Abuse Prevention Plan (IAPP)

The plan shall include a statement of measures that will be taken to minimize the risk of abuse to the vulnerable adult when the individual assessment required in section 626.557, subdivision 14, paragraph (b), indicates the need for measures in addition to the specific measures identified in the program abuse prevention plan. The measures shall include the specific actions the program will take to minimize the risk of abuse within the scope of the licensed services and will identify referrals made when the vulnerable adult is susceptible to abuse outside the scope or control of the licensed services. When the assessment indicates that the vulnerable adult does not need specific risk reduction measures in addition to those identified in the program abuse prevention plan, the individual abuse prevention plan shall document this determination.

Positive Support Strategies

When this individual is frustrated, they can express it in these ways: donald may withdraw and stop talking

Supporting this individual in these ways will help them feel **less** frustrated: staff can ask donald if he'd like to talk about what's going on

Supporting this individual in these ways will make them feel **more** frustrated: pushing topic if declining to talk about it
