

Potential Patient Problems (Nursing Diagnoses) based on Research

List two potential patient problems you will be addressing as part of your nurse's notes, along with clinical reasoning, goals/expected outcomes, assessments, and priority nursing interventions. The patient problems must be in priority order.

Problem # 1:

Clinical Reasoning:

Goal/EO:

Ongoing Assessments:

NI: 1.

2.

3.

4.

5.

Problem # 2

Clinical Reasoning:

Goal/EO:

Ongoing Assessments:

NI: 1.

2.

3.

4.

5.
