

Directions for Respiratory Unit, TTE 11/4/21 CADSCANS/Active Learning Templates

Pharmacology Made Easy:

Access your ATI account

Access “My ATI” folder

Access “Learn” tab

Select “Pharmacology Made Easy 4.0”

Access module “The Respiratory System”

“Drug Therapy for Lower Airflow Disorders”

Review the content for Drug Therapy for Lower Airflow Disorders:

- 1) Beta adrenergic agonists, short and long acting
- 2) Inhaled anticholinergics, short and long acting
- 3) Methylxanthines
- 4) Glucocorticoids
*Skip mast cell stabilizers
- 5) Leukotriene modifiers

Under “Drug Therapy for Upper Respiratory Disorders, select mucolytics (6)

Complete CADSCANS or Active Learning Templates for each of these 6 categories. Take your time and do them well, but do not write every word down. Use bullet points, key concepts, etc. We will be using these in class.

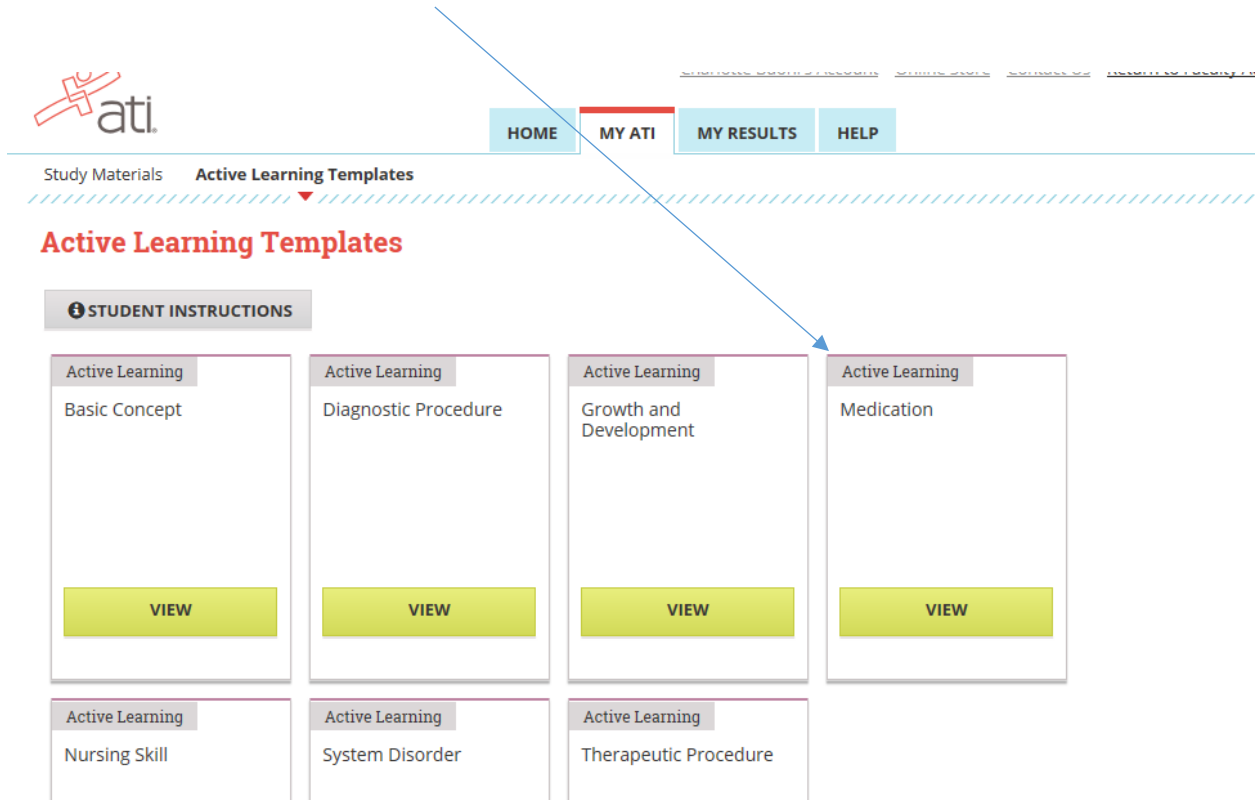

To access Active Learning Templates:

From “My ATI” home page,

Change “Study Materials” to “Active Learning Templates”

The screenshot shows the ATI My ATI interface. At the top, there is a navigation bar with links: [Charlotte Buoni's Account](#), [Online Store](#), [Contact Us](#), and [Return to Faculty Account](#). Below this is a header with tabs: **HOME**, **MY ATI**, **MY RESULTS**, and **HELP**. The **MY ATI** tab is selected. Under the **MY ATI** tab, there are two main sections: **Study Materials** and **Active Learning Templates**. The **Study Materials** section is currently selected, and a red arrow points to it. A blue arrow points to the **Active Learning Templates** section. Below the header, there is a **Content Area** dropdown menu set to **All**. Below this are four tabs: **LEARN**, **TEST**, **IMPROVE**, and **NCLEX PREP**. The **LEARN** tab is selected. Below the tabs, there is a **Type** dropdown menu set to **All** and a checkbox for **Hide disabled products (0 hidden)**. To the right of these is an **ADD PRODUCT** button. Below the **LEARN** tab, there are four product cards: 1. **Tutorial** titled **Achieve** with a **DEMO 5** button and *Accessed: 5/23/2018*. 2. **Flashcards** titled **Active Stack® Pharmacology Flash Cards** with a **DEMO 12** button and *Accessed: Never*. 3. **Tutorial** titled **ATI Plan - Student Orientation *NEW*** with a **MODULES 1** button and *Accessed: 9/14/2018*. 4. **Tutorial** titled **ATI TEAS SmartPrep** with a **DEMO 4** button and *Accessed: Never*.

Print out the templates for Medication. You'll need one for each medication assigned.

The screenshot shows the ATI website interface. At the top left is the ATI logo. To its right is a navigation bar with links: HOME, MY ATI, MY RESULTS, and HELP. Below this is a breadcrumb trail: Study Materials > Active Learning Templates. The main heading is "Active Learning Templates" in red. Underneath is a grey box labeled "STUDENT INSTRUCTIONS". Below that is a grid of seven template cards. Each card has a title "Active Learning" in a grey header, a subtitle, and a yellow "VIEW" button at the bottom. A blue arrow points from the text above to the "Medication" template card.

Active Learning	Active Learning	Active Learning	Active Learning
Basic Concept	Diagnostic Procedure	Growth and Development	Medication
VIEW	VIEW	VIEW	VIEW

Active Learning	Active Learning	Active Learning
Nursing Skill	System Disorder	Therapeutic Procedure
