

# Nursing 202: Advanced Concepts of Nursing

2022

# Welcome!

- Faculty Contact (Introductions)
  - Located on Edvance
    - Alexa Baich
    - Alison Watson
    - Charlotte Buoni
    - Emily Petito
    - Terri Wyatt
    - Makenzie Helsel

# Syllabus

- N202 Overview: Acute care, Critical Care, Leadership, Emergency Nursing
- Required Textbooks
  - Huff - EKG Workbook
  - Lewis - Med Surg Text
  - Perry - Maternal Child Text
- Teaching Strategies
  - Advanced care simulation environments

# Syllabus

- Edvance360
  - All postings will be at least 1 week prior to scheduled class time
- Hours
  - 90 theory
  - 270 clinical
  - 360 total
- Course Objectives
  - Independent review

# Grade Sheet

- ▶ Unit Exams (Units I - VII)
  - ▶ Missed exam = Taken on the next class day & 2 hours either theory or clinical time missed
- ▶ Total Unit exams - 65%
- ▶ Class Preparation - 5%
- ▶ ED Report Project- 10%
- ▶ Final Exam - 10%
- ▶ ATI - 10%

# Grade Sheet

- Quizzes
  - Dates can be found on your class schedule.
  - If you are absent during a quiz, you will receive a “0”.
  - Grades are incorporated into the class preparation grade.

# Grade Sheet

- Clinical Evaluation:
  - Collaborative Care Map- Preceptorship
  - Clinical Summary
  - Midterm/ Final Clinical Evaluations
    - New Form
  - Volunteer Hours
    - Due 5/16 to Mrs. Petito
    - Minimum 8 hours required
    - Complete form and submit to “Volunteer Forms” Dropbox

# APA

- ▶ 7<sup>th</sup> edition APA
- ▶ APA Workshop - Monday , March 7<sup>th</sup>, 1130-1330

# ATI

- ▶ Integration Schedule (Practice A and Proctored)
  - ▶ Adult Medical-Surgical
  - ▶ Pharmacology
  - ▶ Leadership
- ▶ Release Dates
- ▶ Binder collection
- ▶ Proctored Assessment Dates
- ▶ RN Comprehensive
  - ▶ No remediation 😊
- ▶ Virtual ATI NCLEX Review- Begins April 18th
  - ▶ ATI Integration Schedule & Documentation of Points

# ATI

- ▶ RN Comprehensive Practice A- Opens Monday, April 4<sup>th</sup>
  - ▶ Benchmark 67.3%
  - ▶ If benchmark is not met, you must take the RN Comprehensive Practice B
- ▶ RN Comprehensive Proctored - Monday, May 16<sup>th</sup>
  - ▶ Benchmark 71.3%
  - ▶ If benchmark is met, 1 point will be added to your grade sheet.

# ATI

- ▶ Skills Modules 3.0
- ▶ Focused-Review quizzes
  - ▶ Only generate if score <75%
  - ▶ Not graded, can only help you learn
- ▶ Pharm Made Easy 4.0
- ▶ Learning System RN

# EHR TUTOR

# Syllabus

- Attendance
  - 100% Expectation
  - >30 hours missed = withdrawal
  - Cannot enter classroom once doors closed
- Writing Competency
  - APA Utilized
    - *Optional workshop: 3/7 1130-1330*
- QSEN/ Joint Commission Minute Weekly
  - Weekly survey
  - Quiz at end of semester on content
- Math Competency
  - Minimum 80%
  - 1<sup>st</sup> Date: 2/10 0700-0800
  - 2<sup>nd</sup> Date for those unsuccessful: TBD
  - *Workshop offered 2/8 @ 1400*

# MHR Star Program

- ▶ Recognize your classmates for going above and beyond in the classroom or clinical setting.
- ▶ Nomination forms are located under “Resources”
- ▶ Submit in “MHR Star” Dropbox
- ▶ Catch a Star!

Questions?

# Calendar

- **Of Note:**
  - Exams
  - Due Dates
  - Days Off/ Half days
  - Class time after exams
  - Faculty assigning the Class Preparation

# Unit Objectives

- Unit I: Critical Care, Nursing Management/ Assessment
- Unit II: Cardiac
- Unit III: Respiratory
- Unit IV: Neurotrauma
- Unit V: Pharmacology
- Unit VI: Trauma
- Unit VII: Leadership

# N202: Course Projects

# Unit VI, Trauma: Trauma Project Oral Report Overview of Assignment - Alexa Baich

- Outlines Due Tuesday, March 22<sup>nd</sup> by 0830
- Outlines will be returned 4/5 by 1400
- PPT & Handouts are due 4/18 by 1200
- Reports presented on Tuesday, 4/26 & Wednesday, 4/27.
- 10% Final Grade
- Guidelines
- Rubric
- Topics

# Collaborative Care Map- Preceptorship

- Instructions
- Rubric

# Update CONTACT List

- ▶ Confirm your contact phone number
- ▶ Write your name how you want it written on your diploma
- ▶ Write the initials you would like on your pin

# N202: Clinical Orientation

# Contacting Faculty

- Faculty contact on clinical guidelines
- Contacting Faculty
  - Do not call office extension
  - Teams is preferred
- ***Must have confirmation from faculty that message was received!!***

# Clinical Attendance

- 100% of time is expected
- Clinical, Observations, Simulation, and Clinical Preparation is included
- >12 hours requires Make-up (Fee associated)
- >28 hours = withdrawal

# Noteworthy!

- Noteworthy:
  - Use AIDET in all interactions
  - Contact Dr. Watson and Observational Site Contact if cannot attend observation
  - Must administer **90%** of **daily** medications accurately
    - If High Alert medication involved, “U” for the day

# Clinical Objectives and Criteria

- Matches anecdotal
- Anecdotal process:
  - Student only completes anecdotes that are not faculty-facilitated (observation, preceptorship, SDS/OSC/ED)
  - Return all anecdotes signed
  - Indicate Primary Staff RN for staff-led clinical
  - Color- code available for ED, SDS, OSC
    - You can directly write on the yellow anecdotal
  - Due by 0830 on next scheduled class day (typically, Monday 0830)
  - **NEW!!!** Submit to Senior-Level Anecdotal mailbox

Students Complete (submit signed)	Faculty Complete
Preceptorship	Districts
ED	ICU
SDS	ICU Sim
OSC	Complex Care Sim
Observations	Virtual (ATI)

# Faculty- Facilitated Clinical Experiences

- Districts
- ICU SIM
  - Will review later today
- Complex care SIM
- ICU
- Virtual (ATI)
  - Submit completed student packet and ALL simulation attempts to designated ATI dropbox (ATI-1 or ATI-2, not specific faculty)

# Virtual Clinical Experiences

- ▶ ATI Real Life 3.0
  - ▶ Checklist
  - ▶ Packet
  - ▶ Submit all attempts

# Staff RN-Facilitated Clinical Experiences

- ▶ ED, SDS, OSC
- ▶ Use the color-coded anecdotal (yellow)
  - ▶ Be sure to write the name of the staff nurse where indicated on anecdotal
- Emergency Department
  - Cannot administer medications
  - Priming Plain IVF only
- OSC/ SDS
  - Similar to 201 experience
  - IV starts, assist with OR prep/ post-op needs

# Observation Clinical Experiences

- Guidelines
  - Review objectives
  - Directions
  - Contact information
  - Jot notes of experience for clinical summary
  - Regular anecdotal
    - **ONLY mark yourself for dependability!**
      - One per day, even if you have a half day experience
      - Submit signed

# Observation Clinical Experiences

- Board of Nursing
  - Dr. Pickard will contact you with additional information
  - Currently virtual, may resume face to face
- ENIT
  - Meet in ENIT office, next to the library
- VAT
  - Report to 4<sup>th</sup> floor
- HIV Wellness Center
  - Either Georgetown or Smyrna
  - Follow provided directions
- Population Health
  - Old Gull House on Rt. 1 across from WAWA
  - Second floor, ring doorbell
  - Fran is receptionist
- Nurse Anesthetist
  - Main Campus
  - Sue Davis- Guest speaker
- Rounds with Nurse Practitioner
  - CV, GI, Hospitalist, Palliative Care
  - Each with individual instructions to meet
  - R-H indicates which NP is scheduled to work that day to contact
- Tunnell Cancer Center or South Coastal
  - Triage room/infusion
- Wound Care
  - In-patient meet in Shaw Room 2021
  - Outpatient on Rt. 24
- Patient Care Experience with Chaplaincy
  - Second floor Shaw, near classrooms

# Clinical Objectives & Criteria

- ▶ **Midterm and Final Evaluations:**
  - ▶ Should keep personal records on the midterm/ final evaluation form
  - ▶ You will complete one self-evaluation for midterm and one for final evaluation
  - ▶ Will come with strengths, areas to develop, and methods to facilitate that development
  - ▶ Faculty will review tally form during evaluations and collect your self evaluation

# Glucose Competency

- ▶ Your responsibility to keep the form and complete when accuchecks are done
- ▶ Once 20 accuchecks are completed on form deliver to Liz Hazzard
  - ▶ **Scan & e-mail to [EHazzard@beeebehealthcare.org](mailto:EHazzard@beeebehealthcare.org)**
  - ▶ Deliver via interoffice mail
  - ▶ Hand deliver to the lab

# COVID- 19 Guidelines

- Assign seating- pick your seat and remain in that seat for the duration of the semester
  - You are responsible daily and prn for cleaning your space
  - Enough tables for each student to have individual table space
- Abide by physical distance signage for occupancy rules
- Must wear mask at all times on campus
  - Appropriate PPE when in the lab (mask and goggles)
  - Ms. Rogers to distribute surgical mask prn (good for five days unless soiled, daily in clinical setting)
- Additional hand sanitizing stations
- Bring own pencil for testing

# COVID- 19 Guidelines: PPE in Clinical

- Goggles or equivalent when within 6 feet of any patient.
- Surgical Masks: One per day unless soiled
- N95 for one full day of use. Can obtain new on floor PRN.
- **Bring PPE to ALL clinical sites.**
- Read Beebe emails for updates to policy

# COVID-19 Guidelines

- Exposure/ Positive Protocol:
  - If a student develops signs and symptoms of COVID-19, he/she must contact the Course Coordinator AND contact Employee Health for further instruction.
- Employee Health will notify when you can return to school
- All students to be self-monitoring
- Due to HIPPA, students will not be notified if exposed, but encouraged to be vigilant about self-monitoring
- Employee Health will conduct contact tracing and communicate with clinical site/units/ individuals as necessary
- If you are being tested for exposure/ symptoms, you must contact EH

# COVID-19 Guidelines

- Attendance:
  - If Employee Health has instructed you to quarantine, you will be expected to virtually attend class with your video activated via Teams. If you do not attend virtually, attendance will be docked as appropriate.
  - Virtual option will be available for clinical, if necessary.

# Charting Documents

- ▶ Cerner: Be sure to review your patient charts at the end of your shift to ensure all documentation and medications have been co-signed.
  - ▶ Preceptorship, Districts, ICU

# ICU Simulation

- ▶ Edvance360 Lesson
- ▶ Class Prep: EdPuzzle videos on Sepsis/Septic Shock *due tomorrow*
- ▶ Small Groups, mimics anticipated care in hospital ICU
- ▶ Document within DocuCare
- ▶ Doctorate Project Involvement

# Nurse Preceptorship

- ▶ 72 hours on unit of preference
- ▶ Assigned a 1:1 preceptor
- ▶ Reach out within 1 week
- ▶ Schedule shifts up through May 16<sup>th</sup>
  - ▶ HIGHLY suggested to wait until through first week of districts
- ▶ Ensure all charting has been validated or signed off at the end of your shift
  - ▶ If charting is not validated by a RN, it will not go into the patient's medical record

# Nurse Preceptorship

- ▶ **Complete anecdotal**
  - ▶ Preceptor name on anecdotal
  - ▶ Student submits to mailbox, signed
- ▶ **Collaborative Care Map- Preceptorship**
  - ▶ 1 patient assignment during preceptorship
  - ▶ Due no later than May 16<sup>th</sup>

# Clinical Summary

- ▶ Take notes throughout the semester
- ▶ Mandatory attendance

# Clinical Preparation

- ▶ Log-in's/ID's
  - ▶ CNA's, Externs, nurse techs - double check
  - ▶ **Must** be completed before clinical begins
    - ▶ “U” in professionalism if incomplete
  - ▶ Review handout sent in January
  - ▶ Review Lexicomp

# Clinical Schedule

- ▶ 1- SIM
- ▶ 6- D
- ▶ 1- W or W-H
- ▶ 1- TCC or TCC-SC
- ▶ 1- R-\_\_\_\_
- ▶ 1- NA
- ▶ 1- ICU SIM
- ▶ 1- BON
- ▶ 1- C
- ▶ 1- SDS
- ▶ 1- OSC
- ▶ 1- ATI-1
- ▶ 1- ATI-2
- ▶ 1- HIV- G/S
- ▶ 1- ED
- ▶ 2- ICU
- ▶ 1- ENIT
- ▶ 1- VAT
- ▶ 1- POP
- ▶ 10- Blanks
