Date submitted: 3/20/2023

Name of person submitting nomination: Emily Rudis, Hannah Rossi, Mary Helen Waltjen

Name of student nominated: Shelia Velasquez

Tell us what makes this student a star: Shelia was our clinical resource nurse this past week in clinical and she went above and beyond in caring for our patients. She anticipated our needs before we could ask for help, and was incredible diligent in documenting chart information for our patient care. She also was a fabulous resource to the other nursing staff and patients on the stepdown unit. Sheila did everything with a kind heart and a smile on her face. She set a standard that we hope to live up to when we are in that role.
