

Class Preparation

Directions: Answer the following questions:

1. What is your perception of an individual with a mental illness?  
*They need more care in some aspects than most cognitively.*
2. What would you say to a depressed client who was admitted to a psychiatric facility after attempting suicide?  
*I am here for you, what would you like to talk about?*
3. What is a Mental Status Examination?  
*An evaluation of a patient's mental capacity, helps identify, diagnosis and treat symptoms of mental illness.*
