Advocating for Clients

0 of 0
points

"This client is depending on us. What if it was someone you care about?"

Empathizing with Rio

0 of 0
points

Rationale:

By acknowledging Rio's concerns and frustrations, you increased the chances that she would listen to your ideas and feedback later in the conversation. Here is a moment when you showed empathy:

points

Rationale:

When Rio showed signs that she was not thinking about the team or that she had lost sight of the team's agreed-upon norms, you found collegial ways to remind her and didn't talk down to her:

"I like that the norms remind us of what really matters: clients and their families."
