Nursing 102 - Nursing Care of Adults

ATI Professionalism - 2025

AFTER WATCHING THE FOLLOWING MODULE, THE STUDENT WILL BE ABLE TO:

- Summarize elements of professionalism.
 - Identify behaviors consistent with being a professional nurse.
 - Examine the characteristics that exemplify nursing as a profession.
-
- Navigate to the Learn tab in ATI and access Nurse's Touch: Becoming a Professional Nurse.
 - Choose the module titled *Profession and Professional Identity*.
 - Engage with the scenario and respond to the associated questions.
 - Upon completion, proceed to the module test and retake it until achieving a minimum score of 80%. Download the module's report with both the lesson and test grade noted. •
- Submit both the downloaded report, answered questions, and your updated N102 Professionalism Pledge to the designated Dropbox labeled "ATI Professionalism" by **0830 on May 12th, 2025**, to receive a class preparation grade.

Haley Donovan

1. What characteristics of a professional nurse did Mandy demonstrate when asked to attend a hospital committee meeting on a day off?

Mandy agreed to attend the meeting on her day off because the hospital is short staffed.

- a. Would you be willing to come to work for a meeting on a day off? Why or why not?

I would consider self-care and time management before agreeing to another day of work.

2. What is the purpose of the ANA Code of Ethics?

Fundamental and valuable ethics, ethical obligation and duties of nurses in the profession.

3. What provisions within the Code of Ethics did Mandy demonstrate?

Provision 4: responsible for actions including delegated tasks to other personnel.

4. Why did Mandy talk with Richard (assistive personnel) about the vital signs not being within reference range for Ms. Kelly?

Mandy is still responsible for the vital signs done by Richard so she needs to take action as they are not in range. Richard should have notified Mandy.

- a. What elements of professionalism did Mandy demonstrate regarding the reevaluation of Ms. Kelly's vital signs?

Mandy is taking responsible action after the out of range vitals after a delegated task.

5. What provisions within the Code of Ethics did Mandy demonstrate when communicating with Richard?

Provision 3: advocacy and providing safe care.

6. What behaviors are essential to demonstrate professionalism?

Reliability, effective communication, accountability, ethical conduct, continuing education and many more.

7. What is the purpose of attending continuing education in nursing?

To enhance the use of evidence based practices, improve the outcome for patients and advance career opportunities.

8. Is it essential for a nurse to continually attend formal nursing education?

Yes, this is a way to stay current and involved in new practices, enhancing practices to renew licensure.
