**Margaret H. Rollins School of Nursing**  
**Nursing 102 - Nursing Care of Adults**

**ATI Professionalism - 2025**

**AFTER WATCHING THE FOLLOWING MODULE, THE STUDENT WILL BE ABLE TO:**

- Summarize elements of professionalism.
  - Identify behaviors consistent with being a professional nurse.
  - Examine the characteristics that exemplify nursing as a profession.
- 
- Navigate to the Learn tab in ATI and access Nurse's Touch: Becoming a Professional Nurse.
  - Choose the module titled *Profession and Professional Identity*.
  - Engage with the scenario and respond to the associated questions.
  - Upon completion, proceed to the module test and retake it until achieving a minimum score of 80%. Download the module's report with both the lesson and test grade noted. •  
Submit both the downloaded report, answered questions, and your updated N102 Professionalism Pledge to the designated Dropbox labeled "ATI Professionalism" by **0830 on May 12th, 2025**, to receive a class preparation grade.

**Nursing 102 - Nursing Care of Adults**

## **BEEBE HEALTHCARE**

1. What characteristics of a professional nurse did Mandy demonstrate when asked to attend a hospital committee meeting on a day off?

- Mandy remained respectful and said yes to attend the meeting. She also remained honest when asked about the vital signs and immediately checked the chart.

a. Would you be willing to come to work for a meeting on a day off? Why or why not?

- Yes, because I feel that it would be my job to attend even if it is my day off. It is important to show I care.

2. What is the purpose of the ANA Code of Ethics?

- The purpose of the ANA Code of Ethics is to ensure that nurses are doing ethical practices while holding certain standards and guiding all nurses when it comes to caring for patients properly.

3. What provisions within the Code of Ethics did Mandy demonstrate?

- Mandy demonstrated selflessness and accountability.

4. Why did Mandy talk with Richard (assistive personnel) about the vital signs not being within reference range for Ms. Kelly?

- Mandy talked with Richard about the vital signs because it is very important for the Primary nurse to be notified of vitals signs that are out of range as soon as possible so she can follow up with the patient.

## **BEEBE HEALTHCARE**

a. What elements of professionalism did Mandy demonstrate regarding the reevaluation of Ms. Kelly's vital signs?

- Mandy remained respectful, took accountability, and communicated with Richard.

5. What provisions within the Code of Ethics did Mandy demonstrate when communicating with Richard?

- I believe that Mandy demonstrated openness, accountability, honesty, and leadership when talking with Richard.

6. What behaviors are essential to demonstrate professionalism?

- It is important to always be on time with a positive attitude. It is also important to be ethical when caring for patients and demonstrate proper communication.

7. What is the purpose of attending continuing education in nursing?

- It is to maintain a nurse's license and further education as well as improve patient care by keeping up with current knowledge or evidence-based practices.

8. Is it essential for a nurse to continually attend formal nursing education?

- I believe it is essential in order for nurses to keep up with new information and ways to care for patients.
