Nursing 102 - Nursing Care of Adults

ATI Professionalism - 2025

AFTER WATCHING THE FOLLOWING MODULE, THE STUDENT WILL BE ABLE TO:

- Summarize elements of professionalism.
 - Identify behaviors consistent with being a professional nurse.
 - Examine the characteristics that exemplify nursing as a profession.
-
- Navigate to the Learn tab in ATI and access Nurse's Touch: Becoming a Professional Nurse.
 - Choose the module titled *Profession and Professional Identity*.
 - Engage with the scenario and respond to the associated questions.
 - Upon completion, proceed to the module test and retake it until achieving a minimum score of 80%. Download the module's report with both the lesson and test grade noted.
 - Submit both the downloaded report, answered questions, and your updated N102 Professionalism Pledge to the designated Dropbox labeled "ATI Professionalism" by **0830 on May 12th, 2025**, to receive a class preparation grade.

Nursing 102 - Nursing Care of Adults

1. What characteristics of a professional nurse did Mandy demonstrate when asked to attend a hospital committee meeting on a day off?

-Mandy demonstrated reliability, teamwork and accountability. She was willing to do what was needed of her even on her day off which shows how reliable she is as a nurse.

- a. Would you be willing to come to work for a meeting on a day off? Why or why

not? -It would depend on the circumstances. For example, if it was a very important meeting and I was needed then of course. However, if it was something that could easily be passed on to me my next shift and I was not really needed then I may be hesitant.

2. What is the purpose of the ANA Code of Ethics?

-The ANA Code of Ethics is a foundational framework that guides nurses in providing compassionate, patient-centered care while upholding professional integrity and advocating for social justice.

3. What provisions within the Code of Ethics did Mandy demonstrate?

-Mandy demonstrated provision 4 and 8.

4. Why did Mandy talk with Richard (assistive personnel) about the vital signs not being within reference range for Ms. Kelly?

-To notify him that they were not normal since he did not realize or let Mandy know. Most likely due to him not having Ms. Kelly as a patient and not knowing her normal ranges.

- a. What elements of professionalism did Mandy demonstrate regarding the reevaluation of Ms. Kelly's vital signs?

-Mandy demonstrated accountability and showed primary commitment to her patients care.

5. What provisions within the Code of Ethics did Mandy demonstrate when communicating with Richard?

-Mandy demonstrated provision 8.

6. What behaviors are essential to demonstrate professionalism?

-Some behaviors include effective communication, compassion, accountability, respect, continuous learning, and teamwork.

7. What is the purpose of attending continuing education in nursing?

-Nursing as a whole is a profession that has a commitment to continuing education. There is so much knowledge to gain and as a nurse it is our responsibility to further educate ourselves to be the best version for our patients.

8. Is it essential for a nurse to continually attend formal nursing education?

-Yes, it is, continuing education is important for nurses to stay current with medical advancements, maintain licensure, and improve patient care. It also opens doors to career advancement.
