Nursing 102 - Nursing Care of Adults

ATI Professionalism - 2025

AFTER WATCHING THE FOLLOWING MODULE, THE STUDENT WILL BE ABLE TO:

- Summarize elements of professionalism.
 - Identify behaviors consistent with being a professional nurse.
 - Examine the characteristics that exemplify nursing as a profession.
-
- Navigate to the Learn tab in ATI and access Nurse's Touch: Becoming a Professional Nurse.
 - Choose the module titled *Profession and Professional Identity*.
 - Engage with the scenario and respond to the associated questions.
 - Upon completion, proceed to the module test and retake it until achieving a minimum score of 80%. Download the module's report with both the lesson and test grade noted.
 - Submit both the downloaded report, answered questions, and your updated N102 Professionalism Pledge to the designated Dropbox labeled "ATI Professionalism" by **0830 on May 12th, 2025**, to receive a class preparation grade.

BEEBE HEALTHCARE

1. What characteristics of a professional nurse did Mandy demonstrate when asked to attend a hospital committee meeting on a day off?

Mandy demonstrated a commitment to clients and others by attending the hospital committee meeting on a day off.

- a. Would you be willing to come to work for a meeting on a day off? Why or why not?

I would not mind coming in on my day off if I had to. I understand that as a nurse it is important for a team to function as a whole, even if that means coming in on my day off

2. What is the purpose of the ANA Code of Ethics?

The purpose of the ANA Code of Ethics is to set an ethical and legal standard for healthcare professionals to abide by for both the team members and clients.

3. What provisions within the Code of Ethics did Mandy demonstrate?

Mandy honored her client's dignity by advocating for his rights when others weren't.

4. Why did Mandy talk with Richard (assistive personnel) about the vital signs not being within reference range for Ms. Kelly?

It was important for Mandy to follow up with Richard about the vital signs not being in the reference range, because abnormal vital signs could indicate potential complications.

- a. What elements of professionalism did Mandy demonstrate regarding the reevaluation of Ms. Kelly's vital signs?

BEEBE HEALTHCARE

She demonstrated accountability, responsibility, and primary commitment to the client.

5. What provisions within the Code of Ethics did Mandy demonstrate when communicating with Richard? Mandy demonstrated responsibility to self, profession, and society, along with accountability for professional outcomes.

6. What behaviors are essential to demonstrate professionalism?

Behaviors such as compassion, respect, integrity, human dignity, and responsibility demonstrate professionalism.

7. What is the purpose of attending continuing education in nursing?

Continuing education is important for nurses to stay current with evidence-based practice and provide safe care to clients. Nursing requires lifelong learning.

8. Is it essential for a nurse to continually attend formal nursing education?

Yes, a nurse needs to attend formal education. Formal education is essential to make sure nurses across the board are using the same practices and align with the nursing boards.
