

Class Preparation
Substance Abuse
Due Thursday, September 25th, 2025

This class preparation is designed to facilitate your communication with a client who is at risk for Alcohol Use Disorder. You will perform a Screening and Brief Intervention (SBI) and work on motivational interviewing techniques. Follow the steps below to complete this assignment.

1. Log on to ATI
2. Open The Communicator 2.0
3. Click on the Module titled: Virtual Interaction: Adult Client Misusing Alcohol
4. Complete the following:
 - A. Introduction
 - B. Practice: Sam
 - C. Challenge: Jessica
5. You must receive a satisfactory grade on this module. Complete the scenario until this is achieved. Once you are satisfactory, print/ save your report and submit to Dr. Baich's dropbox, mailbox, or bring to class.
