Pediatrics - Dr. Watson & Mrs. Zahner

Student Name: Danni Alfree

Research Topic: High A1C levels and the correlation to low socio-economic status in pediatric patients

Thesis Statement*: The correlation between high A1C levels in children and low socioeconomic status significantly impacts client care by requiring nurses to adapt care plans to address complex social determinants of health, prioritize culturally competent education, and advocate for accessible resources to ensure effective diabetes management and improved health outcomes.

Date Submitted: 8/28/25

Faculty Signature of Approval: _____

Date Copy Returned to Student: _____

*This should be one concise summary of the main point of the research paper. Reflect on how your topic impacts client care.

The research paper is due at 0830 on Monday, November 3, 2025. Submit the research paper to the appropriate Dropbox.

Five (5) points will be deducted from the research grade if the research paper is submitted after 0830 on November 3, 2025 and for each class day thereafter it is not submitted.

All graded research papers will be returned on Monday, December 1, 2025.
