Description of Activity: During this volunteer event I went to holts landing state park with my mom to do a beach cleanup. It was really fun to spend a day outside cleaning up trash while completing this activity with my mom. We collected 2 trash bags worth of trash and documented it into the survey they were conducting. It was really eye-opening to see how much trash is really around, and I think I would do it again even if it is not part of a scheduled clean up.
