Scenario

During a regular appointment with her care provider, Jessica takes the AUDIT screen and scores a 6. Test your knowledge and skills by talking with Jessica about her screening result and conducting a brief intervention.

Focused Undo Performance

During this simulation, you encountered 0 forced undos. Forced undos occur when your conversation reaches a "dead end" that is not positive for the client. Try to avoid conversational paths that lead to forced undos in the future in order to improve your score.
