ASP Presentation Notes

Unit Name: 8.1.4 A Bugs Life

Notes from Presentation:

-Can Harm plants by damaging them

-Knowing the plant life cycle will help what time you spray the insects during the year.

-Insects can be very different between metamorphosis

-Incomplete (Producers don't give a shit)

-Complete (eggs, larva, pupa, adult)

ASP – Reflection Page

List five key points that are important to remember from this presentation:

1. Metamorphosis
2. Time of season for spray
- 3.
- 4.
- 5.

List three ideas or concepts that this new information has in common with previous things learned:

6. Economic Threshold
- 7.
- 8.

List questions or ideas that remain unclear about the information presented that should be asked for clarity at the appropriate time:
