Presentation Notes

Presentation Team/Group work Lesson _____

Notes from Presentation:

Group definition: A collection of people

Team: People working together for a common goal

Effective groups have:

A purpose

Organized and have time efficiency

Communicate clearly and directly with each other

Allow everyone to share their opinion

Assign responsibilities and complete those assignments

Do not prejudge each other

Value differences

Sense things that aren't going well and make well efforts to self correct

Focus on content AND group progress; Not just on content

Chairperson	Research background
Secretary	Research benefits
Officers	Research drawbacks
Committees	Shared presentation responsibilities

Members

You should: Define the task at hand, Clarify task and determine desired outcome, recognize strengths and weaknesses of each member

Conflict in a group is normal, it will happen

Determine the cause of the conflict and right it.

AFNR Reflection Page

List five key points that are important to remember from this presentation.

1. You should know that there is always conflict between a group
2. You use a group to achieve a common goal
3. There are leadership required jobs so that a group is functional
4. You need to share leadership jobs, Not a Monopoly
5. Include everyone in the group, they're there for a reason

List three ideas or concepts that this new information has in common with previous things learned.

1. Forming, storming, norming, and performing are important
2. Include other group mates
3. Share leaderships in the group

List questions or ideas that remain unclear about the information presented that should be asked for clarity at the appropriate time. IDK
