Project 5.4.3 Evaluation Rubric

Topics	4 points	3 points	2 points	1 point
Animal Depiction on Poster	Poster accurately shows detail of the animal parts and each part is easily identifiable.	Poster shows each animal part within reasonable clarity for identification.	Not all animal parts are distinguishable although those included are clearly identified.	Some of the animal parts are distinguishable although they are difficult to identify clearly.
Label accuracy	All Velcro dots are in close proximity to proper anatomical location on the poster.	One or two Velcro dots are slightly misplaced in relation to the proper location on the poster.	Three to four Velcro dots are improperly located on the poster.	Five or more Velcro dots are improperly located on the poster.
Anatomy Key	Drawing closely matches poster and each part is clearly labeled and free from spelling errors.	Drawing is similar to poster and each part is labeled but there is one misspelling.	Drawing vaguely resembles poster with one part missing a label or contains two to three misspellings.	Drawing unlike the poster with two to three parts missing labels and has four or more spelling errors.
