SAE Project Assignment #2  
Due date: 9/30/20

SAE Project: Placement- work on my neighbor's farm

**Goal #1:** do some research on the Rabbit Hill Farms and ask my neighbors if i could help out by October 25, 2020

**Goal #2:** start learning how to do the task they give me, obviously i don't know what the task is yet, by November 30, 2020

**Goal #3:** become good at the job they give me, and have learned what the malt house is, how it works, and what they do by January 1, 2021
