

Name: Vladimir Hill
Class: AFNR
SAE Project Assignment #1
Date: 10/5/20

List 4 potential SAE projects that you *could* complete, including the one you want to complete. Put stars next to the one you want to complete. Be sure to include the system.

1. Research the benefits of using GIS mapping for natural resources-Research/Natural Resource Systems
2. Test the drought tolerance of different types of fruits and/or vegetables-Research/Plant systems
3. Research area pollution concerns-Research/Environmental Service Systems
4. Evaluate the scope and implications of regulatory agencies on biotechnology applications in agriculture-Research/Biotechnology Systems

Name: Vladimir Hill
AFNR
SAE Project Assignment #2
Due date: 10/5/20

Create SMART goals for your project. They must include a date, and those dates must be spread out through the semester.

**SAE Project: Research the benefits of using GIS mapping for natural resources-
Natural Resource Systems**

Goal #1: Research the project 10/20/20

Goal #2: Write down key sentences and explanations 10/21/20

Goal #3: Take in all the information that was written down and write it for the project after brainstorming. 10/30/20
