Project 3.3.4 Evaluation Rubric

Topics	4 points	3 points	2 points	1 point	Teacher Comments
Design Plan	<p>The plan is accurate and useful. The plan is drawn to scale, includes a descriptive key and includes the following considerations.</p> <ul style="list-style-type: none"> • Shelter • Food • Water • Health care • Stages of production • Manure management • Sanitation 	<p>The plan is useful. The plan is drawn to scale but does not include a descriptive key. The plan includes the following considerations.</p> <ul style="list-style-type: none"> • Shelter • Food • Water • Health care • Stages of production • Manure management • Sanitation 	<p>The plan is useful. The plan is not drawn to scale and does not include a descriptive key. The plan is missing one of the following considerations.</p> <ul style="list-style-type: none"> • Shelter • Food • Water • Health care • Stages of production • Manure management • Sanitation 	<p>The plan is not useful. The plan is not drawn to scale and does not include a descriptive key. The plan is missing two or more of the following considerations.</p> <ul style="list-style-type: none"> • Shelter • Food • Water • Health care • Stages of production • Manure management • Sanitation 	
Model Size and Scale	<p>The model is proportionate to the design and contains the following features. The model is portable, has distinguishable features, and is large enough to see details.</p>	<p>The model is not proportionate to the design and contains the following features. The model is portable, has distinguishable features, and is large enough to see details.</p>	<p>The model is proportionate to the design but is missing one of the following features. The model is portable, has distinguishable features, and is large enough to see details.</p>	<p>The model is not proportionate to the design and is missing at least one of the following features. The model is portable, has distinguishable features, and is large enough to see details.</p>	
Model Materials	<p>The materials used for the model are creative and appropriate while demonstrating the design features.</p>	<p>The materials used for the model are appropriate and demonstrate the design features.</p>	<p>The materials used for the model are creative and appropriate but do not demonstrate the design features.</p>	<p>The materials used for the model are not creative or appropriate and do not demonstrate the design features.</p>
