Wound care techniques

12. Ostomy skills completed today; check all that apply:

Ostomy assessment

Peristomal skin assessment

Pouching selection

13. Continence skills completed today; check all that apply:

FI assessment

14. Comments

Leigh had a good day in A30 with me. She saw many patients and did a few refitting for pouch leakage. She performed an initial wound assessment and arranged for home NPWT. Leigh is a pleasure to work with and she will make an exceptional WOC nurse.
