Professional Experience

*2019 – Present Family Nurse Practitioner, CHI St. Gabriel's Health, Family Medical Center
Little Falls, MN*

- Providing a high level of acute and preventative care in a rural clinic setting
- Managing an independent panel of patients
- Working closely in a team setting with three other primary care providers to provide increased access to patient care
- Practicing high level care in newly established walk-in clinic for urgent and acute visits
- Providing students (Medical, Nurse Practitioner, Physician's Assistant) clinical instruction and support in a rural primary care clinic

- Participating member and super user for local electronic medical record ambulatory care committee

2010 – 2019 *Staff Nurse, Intensive Care Unit, St. Gabriel's Hospital, Little Falls, MN*

- Staff nurse for a six-bed inpatient unit at a critical access hospital, providing and managing nursing care for critically ill patients of all ages and illnesses
- Performing surgical recoveries during off hours
- Creating ICU based competencies
- Acting as super user during Epic implementation September 1, 2014
- Orienting newly hired RNs and newly licensed RNs to the ICU
- Acting as preceptor to Bachelor of Science in Nursing candidates

Key Educational Experiences

2018 –2019 *Doctor of Nursing Practice Capstone Quality Improvement Project*

- Engaging with a community partner and addressing population health issue at a primary care clinic through an evidence-based quality improvement project focused on asthma patient care

2018 *Pediatric Practicum for the Family Nurse Practitioner, North Metro Pediatrics Coon Rapids, MN*

- Clinical rotation at a grant funded, nurse practitioner run clinic, managing acute and chronic problems in pediatric patients, including newborn and infant care, as well as Child and Teen Checkups (C&TC)
- Participating in mobile clinic project at local school to provide Child and Teen Checkup (C&TC) visits and required immunizations in partnership with above grant funded clinic

2018 *Women's Health Practicum Experience, Planned Parenthood Clinic, Apple Valley, MN; CentraCare Clinic, Long Prairie, MN*

- Clinical rotation providing reproductive health counseling and care to adolescents and adults at a non-profit clinic
- Clinical rotation providing prenatal, postpartum, and newborn care, in addition to annual health maintenance visits for women, and care of urgent women's health care needs to a largely Spanish speaking population

Other Experiences

2009 *Summer Semester Abroad, Granada, Spain*

- Studying conversational and literate Spanish, living with family who only spoke Spanish language, and being immersed in Spanish culture

2000 – 2007 *Volunteer Participant, ITEBA Work/Study Project, Salvador, Brazil*

- Working as a team member on an ongoing project with a seminary and neighborhood in Brazil to build a community center while at the same time exchanging cultural values, perspectives and ideas
