One complex journal is required for each specialty in which you are enrolled/registered. This assignment evaluates the transition from bedside nurse to that of a specialist/consultant. Critical thinking skills and understanding of evidence based, best practices should be evident. Rationales should be cited and referenced using current APA formatting.

Choose a patient from your clinical experience that exhibits multiple care needs allowing for development of an expanded, holistic plan of care. It is recommended this complex plan of care be your last journal for each specialty allowing for incorporation of previous instructor feedback. Reach out to your Practicum instructor for any questions.
