

Benjamin Larson

BSN, MSN, WOC Candidate

Profile

Brings forth a positive attitude and strong work ethic, with excellent customer service skills and an understanding of inpatient, outpatient, and public health initiatives. Prioritizes patient safety and quality to deliver patient centered care across the lifespan. Described by colleagues as having a "strong work ethic" and being "someone that goes above and beyond." Follows standard protocols and delivers care in a timely manner. Leads teams with trust, respect, timeliness, and authenticity. Eager to make a difference and positively develop those around me. Handles conflict in a professional manner. Enjoys educator roles working with students and staff development. Passionate about collaborating with patients and their loved ones to achieve their goals. Enrolled in a WOC program with clinical hours in October 2024 to provide better care with patients who have wounds, ostomies, and continence related needs.
